

AWARD FOR EXCELLENCE FACT SHEET

THE PROGRAM: The Award for Excellence program was established during Raymond Van Houtte's administration as President of Tompkins Trust Company as a part of the bank's Sesquicentennial Celebration. Mr. Van Houtte wanted to share the bank's success with community members who have helped to enrich the quality of life in Tompkins County.

THE ENDOWMENT: On March 12, 1985 The Trust Company established a \$100,000 endowment with earnings to be used in funding the Tompkins Trust Company Award(s) for Excellence. In September of 1987, the Tompkins Trust Company added an additional \$50,000 to the endowment, bringing the total fund to \$150,000.

CRITERIA: Nominees can be a non-profit group, a group of individuals representing a key un-paid volunteerism element of a local organization, or local individuals performing philanthropic community service and should meet the following minimum criteria:

- ➔ Make a significant contribution towards improving the quality of life for others either as a major component of a non-profit organization or through individual philanthropic efforts.
- ➔ Generously volunteer time and effort, on an ongoing basis, to activities which help others in Tompkins County.

CANDIDATE SELECTION: The selection of candidates for the Award for Excellence is at the full discretion and responsibility of the Foundation Awards Committee and their decision, in all instances, shall be final. Candidate selection is completed prior to May 1st of each year. The number and amount of award(s) shall be determined by the committee based on earnings available in the endowment. The awards shall be presented to the selected non-profit(s) candidate(s) and/or a non-profit chosen by the selected individual candidate.

ADMINISTRATION: The Endowment is administered by the Legacy Foundation of Tompkins County (formerly known as the Tompkins County Foundation), a not-for-profit trust, created in 1945 by a group of local Tompkins County
